

FREEZE DRIED NUGGETS

Freeze Dried Nuggets are the same healthy formulas as our Raw Frozen Diets, in freeze dried form. A complete and balanced formula for your dog. Combining the wholesome nutrition of muscle meat, organ meat, raw ground bone, fruits, and vegetables into a healthy, bio-available food that your pet will love! NWN Freeze Dried Diets are a nutritious treat for dogs and may be used for supplemental feeding.

A TRUE CARNIVORE DIET

We use the same meats found at your finest natural food stores. All of our muscle and organ meats are chopped (not ground) partially frozen at the time of processing to ensure the availability of the highest quality nutrients, then Individually quick frozen to keep the integrity of the ingredient quality. Our recipes are very simple, Chicken and Turkey Recipes use muscle meat, organ meats and natural raw ground bone, all from the same species. No added fruits or vegetables. A true carnivore diet! All products are produced in our own certified and inspected USDA, FDA, FSIS manufacturing facility. All poultry products are HPP'd for safety.
