- ME kcal/kg 90g/3.2oz 62
- ME kcal/kg 170g/6oz 117

Ingredients are Ethically Sourced

- Meeting strict standard in sourcing that addresses concerns over certain social & environmental issues

Made in New Zealand

- 100% natural, contain no additives, vaccines or growth hormones, artificial colouring, preservatives & flavouring

Grain-free

- Your pet was designed to eat meat, not cereal.

Boneless Meat

- Feeding your pet with a peace of mind

Higher meat content than before

- We increased the meat, lowered the green tripe content, and improved the taste

Coenzyme Q10

- Aids energy production to promote a lean physique
- Helps to maintain strong teeth and healthy gums
- Supports cardiovascular and circulatory health

Flexipet™

- Green-lipped mussel, abalone, and marine collagen powders
- Optimises gut function for increased digestibility
- Conditions joints for increased mobility
- Actives of Omega-3 and mucopolysaccharides, known for its anti-inflammatory properties.
- Promotes a healthy skin and coat

Zoki Oil™

- A blend of Hokī & Virgin Salmon Oil the only canned pet food in Singapore with this oil
- Far superior & cleaner to salmon oil or cod liver oil
- Omega 3, 6 and 9
- Joint support, Cardiac care, Immunity support, Cognitive function.
- Healthy Glossy Coats

Novel protein

- Wild Brushtail, Wallaby, Hokī, Salmon
- Hypoallergenic

Flexipet™ & Zoki Oil™

- Optimises gut function for increased digestibility
- Conditions joints for increased mobility
- Promotes a healthy skin and coat
- Known as anti-inflammatories

Can support energy production for a lean physique

Helps to maintain strong teeth and healthy gums

Supports circulation and immune deficiencies

Can promote heart and brain health

DELUXE PÂTÉ FOR DOGS
