Germany

At "little stars", we are dedicated to create high-quality products. Our passion for animals and their health drives us to develop innovative solutions that improve the well-being of pets.

We use only the best ingredients and adhere to strict quality standards to promote animals health and happiness. MADE IN GERMANY.

little stars

01 Digestive support & intestinal health

The products are specially formulated to support the digestive and intestinal health. The balanced blend of fibre and nutrients promotes healthy digestion and prevents discomfort.

02 Shiny coat & skin health

The products provides the necessary nutrients for a shiny coat and healthy skin. The omega-3 fatty acids in the food help to maintain skin moisture and coat vitality.

03 Energy & Activity

The recipes provide the energy source needed to keep the pets active and playful. Balanced nutrition supports continued vitality and promotes a zest of life.

04 Dental health & jaw care

The composition of 'Little Stars' food is not only tasty, but also beneficial to the dental health. The special texture helps to prevent dental problems.

05 Immune system support

The carefully selected ingredients are rich in essential vitamins and minerals that boost the immune system. The animals are better protected against possible pathogens.

06 Weight control

Little Stars will help to maintain ideal weight. The balanced nutrient composition promotes a healthy body weight and prevents obesity.
