

Sustainably Fresh, Naturally Clean!

Tea leaf's natural structure is hierarchical porous which makes it highly absorbent, and it also comes with natural tea scent. The 2 types of probiotics equip the product with the power to fight molds, pathogens and ammonia.

CAT LITTER

CAT LITTER

World's First Cat Litter

Made From Real Recycled Tea Leaves

\$18.00

TF101
TeaFresh Cat Litter
2.5kg/6L

LONG LASTING ODOR CONTROL

Harnessing the power of probiotics, our lab-tested formula starts eliminating ammonia in just 30 seconds. One bag of TeaFresh Cat Litter can last up to 4 weeks for one cat.

SUPER LOW DUST

Undergoing a meticulous four-step process, TeaFresh Cat Litter ensures an exceptionally low-dust formula. Breathe easy, knowing your home and your cat's lungs are free from unnecessary particles.

FAST AND FIRM CLUMPING

TeaFresh Cat Litter forms tight clumps that make scooping a breeze. Spend less time on litter box maintenance.

EASILY FLUSHABLE

Drop TeaFresh Cat Litter into the toilet bowl, let it soak for a few seconds, watch it dissolve, then flush away. A hassle-free solution that cares for your cat and the environment.

BIODEGRADABLE

TeaFresh Cat Litter is biodegradable, offering an eco-friendly option that can be used as fertilizer after each use.

SAFE FOR CATS AND KITTENS

Your cat's safety is our top priority. TeaFresh Cat Litter undergoes multiple safety checks to ensure it's gentle and secure for both cats and kittens.
