

THE DIFFERENCE IS IN THE BAKING!

Healthy oven-baked food for your furry friend companion.

Slow cooking in the oven

A traditional and natural cooking method that preserves all the nutritional benefits of the ingredients in our recipes.

Natural ingredients

Our recipes contain fresh meat as the first ingredient, tasty fruits and vegetables, and supplements.

Nothing to hide

Our products are free from added hormones, antibiotics, artificial flavors and preservatives.

Made in Canada

Oven-Baked Tradition is the house brand of Bio Biscuit, a family business based in Saint-Hyacinthe.

Family business

As a family-owned business, we are dedicated to surpass ourselves for our employees, our company and our loyal customers at all times.

Oven-Baked Tradition offers a complete range of healthy and holistic dog and cat food, concocted with good quality ingredients so that your animals can feel good every day and share your happiness for many years to come.

CARE + SOIN

GRAIN-FREE FOOD

- Made with fresh fruits and vegetables.
- Specially designed for all breeds adult dogs.
- contains functional ingredients that work synergistically to support stomach, skin & coat health.

- Grain-free, and enriched with essential vitamins and minerals.
- Offers complete daily support.

Fish - Sensitive Stomach, Skin & Coat

OB001 - 4lb - \$62.00 | OB002 - 20lb - \$200.00

Natural, complete food for adult dogs.
Grain-free preventive formula for healthy digestion and a silky & shiny coat.

Key Benefits

- This preventive formula was developed by our in-house team, composed of an agronomist and animal nutrition specialists, in collaboration with veterinarians. It is specifically designed for adult dogs of all breeds, promoting optimal digestion and supporting skin and coat health.
- Natural zeolite is a key ingredient that acts as a detoxifier by absorbing toxins, thereby reducing inflammation in the digestive tract. It also helps improve stool quality by regulating moisture levels.
- Postbiotics work by reinforcing the gut barrier and supporting the immune system to help keep the microbiome in balance.
- The formula was developed with a specific balance of soluble and insoluble fibers to promote optimal intestinal motility and improve stool texture.
- Made with fresh fish, legumes, vegetables, and flaxseed (a natural source of omega-3), this recipe provides high-quality protein and essential fatty acids to support a shiny coat, healthy skin, and joint health.
- Inulin, a prebiotic, promotes the growth of beneficial bacteria in the intestinal tract, contributing to a healthy digestive system.
- Fortified with essential vitamins and minerals to support the immune system and promote healthy skin.
- Glucosamine and chondroitin sulfate help maintain joint health and improve mobility.

NEW!

Ingredients

Fresh herring, fresh salmon, fish meal, ground whole chickpeas, ground whole green lentils, tapioca, potato, pea protein, canola oil, dried plain beet pulp, ground whole flaxseed, salmon meal, natural zeolite (hydrous sodium aluminosilicate), ground miscanthus grass, yeast culture, natural flavor, inulin, pumpkin, choline chloride, dried bacillus coagulans fermentation product, taurine, vitamin E supplement, zinc proteinate, iron proteinate, turmeric, glucosamine hydrochloride, salmon oil, marine micro algae (source of docosahexaenoic acid (DHA)), ascorbic acid (vitamin C), ginger, chondroitin sulfate, apples, yucca schidigera extract, biotin, spinach, cranberries, bananas, blueberries, broccoli, sweet potato, dried kelp, copper proteinate, manganese proteinate, niacin supplement, vitamin A supplement, d-calcium pantothenate, riboflavin supplement, thiamine mononitrate, vitamin D3 supplement, vitamin B12 supplement, pyridoxine hydrochloride, calcium iodate, folic acid, sodium selenite, rosemary extract.
May contain traces of peanuts.

OVEN BAKED TRADITION DOG

All Breed

- The manufacturing process is practically unique.
- Slowly oven baked at low temperatures.
- It preserves the integrity of nutrients (vitamins).
- Oven-baking allows us to add more fresh meat in the recipe.
- The cooking process increases the digestibility of ingredients.
- Oven-baking allows us to produce a denser kibble (up to 20%)

Small Bites (SB)

CARE + SOIN

GRAIN-FREE FOOD

- Made with fresh fruits and vegetables.
- Specially designed for all breeds adult dogs.
- contains functional ingredients that work synergistically to support stomach, skin & coat health.

- Grain-free, and enriched with essential vitamins and minerals.
- Offers complete daily support.

Duck - Urinary Tract

OB021 - 4lb - \$64.00 | OB022 - 20lb - \$203.00

Natural, complete food for adult dogs. A unique and preventative grain-free formula, especially designed to support urinary tract health while providing a balanced and nutritious diet.

Key Benefits

- This preventive formula was developed by our in-house team, composed of an agronomist and animal nutrition specialists, in collaboration with veterinarians. It is specifically designed for adult dogs who may require urinary support.
 - Thanks to phosphoric acid and controlled mineral levels, the formula helps maintain an optimal urinary pH, which contributes to reducing the risk of urinary stone formation.
- A well-balanced urinary pH plays a key role in preventing urinary issues that can affect the dogs' quality of life, especially those who are prone to such problems.
- Duck protein is an excellent source of protein, especially suited for dogs with food sensitivities. Not only does it support muscle health, but it's also highly digestible, which helps reduce the risk of adverse reactions.
 - This product is free from common allergens such as corn, wheat, and soy, making it a great option for dogs with dietary sensitivities. Its simple and clean ingredient list helps support healthy digestion and minimizes the risk of gastrointestinal upset.
 - Enriched with prebiotics and natural antioxidants (green tea extract, turmeric, beta-carotene), the formula supports both digestive health and the immune system, offering complete and balanced nutrition for your dog.
- Prebiotics promote a healthy gut flora, which may also benefit urinary health by supporting the elimination of toxins.
- Glucosamine and chondroitin sulfate help maintain joint health and improve mobility.

Ingredients

Duck (26.0% duck meat, 2.78% duck meal), ground whole green lentils, ground whole peas, canola oil (preserved with mixed tocopherols and citric acid), ground whole chickpeas, cassava, dehydrated fish, ground whole flaxseed, brewer's yeast, vitamin E supplement, ground miscanthus grass, phosphoric acid, natural flavor, choline chloride, calcium carbonate, calcium sulfate, sea salt, pumpkin, cranberries, dl-methionine, potassium chloride, dried bacillus coagulans fermentation product, taurine, green tea extract, glucosamine hydrochloride, chondroitin sulfate, yucca schidigera extract, iron sulfate, zinc proteinate, turmeric, beta-carotene, inulin, zinc sulfate, manganese proteinate, niacin supplement, copper proteinate, copper sulfate, vitamin A supplement, manganese sulfate, thiamine mononitrate, d-calcium pantothenate, pyridoxine hydrochloride, biotin, riboflavin supplement, vitamin B12 supplement, vitamin D3 supplement, calcium iodate, folic acid, sodium selenite, rosemary extract.

CARE + SOIN

GRAIN-FREE FOOD

- Made with fresh fruits and vegetables.
- Specially designed for both indoor and outdoor adult cats.
- It contains functional ingredients that work synergistically to support stomach, skin & coat health.
- Grain-free, and enriched with essential vitamins and minerals.
- It offers complete daily support.

Fish - Sensitive Stomach, Skin & Coat
 OB921 - 5lb - \$76.00 | OB922 - 10lb - \$112.00

Natural, complete food for adult cats.
Grain-free preventive formula for healthy digestion and a silky & shiny coat.

Key Benefits

- This preventive formula was developed by our in-house team, composed of an agronomist and animal nutrition specialists, in collaboration with veterinarians. It is specifically designed for adult cats, promoting optimal digestion and supporting skin and coat health.
- Natural zeolite is a key ingredient that acts as a detoxifier by absorbing toxins, thereby reducing inflammation in the digestive tract. It also helps improve stool quality by regulating moisture levels.
- Postbiotics work by reinforcing the gut barrier and supporting the immune system to help keep the microbiome in balance.
- The formula was developed with a specific balance of soluble and insoluble fibers to promote optimal intestinal motility and improve stool texture.
- Made with fresh fish, legumes, vegetables, and flaxseed (a natural source of omega-3), this recipe delivers high-quality proteins and essential fatty acids to maintain a silky coat and healthy skin.
- It also contains inulin, a natural prebiotic, along with turmeric and ginger for their anti-inflammatory properties that support digestion and overall well-being.
- Fortified with essential vitamins and minerals to support the immune system and promote healthy skin.

Ingredients

Fresh herring, fresh salmon, fish meal, ground whole chickpeas, ground whole green lentils, canola oil, potato, salmon meal, dried plain beet pulp, pea protein, natural flavor, ground whole flaxseed, brewer's yeast, natural zeolite (hydrous sodium aluminosilicate), ground miscanthus grass, yeast culture, pumpkin, sweet potato, calcium sulfate, choline chloride, inulin, dried bacillus coagulans fermentation product, dl-methionine, taurine, apples, marine micro algae (source of docosahexaenoic acid (DHA)), vitamin E supplement, salmon oil, spinach, ascorbic acid (vitamin C), turmeric, yucca schidigera extract, ferrous sulfate, ginger, zinc sulfate, cranberries, bananas, blueberries, broccoli, niacin supplement, copper sulfate, vitamin A supplement, manganese sulfate, thiamine mononitrate, d-calcium pantothenate, pyridoxine hydrochloride, biotin, riboflavin supplement, vitamin B12 supplement, vitamin D3 supplement, calcium iodate, folic acid, sodium selenite, rosemary extract. May contain traces of peanuts.

Chicken - Urinary Tract
 OB931 - 5lb - \$48.00 | OB932 - 10lb - \$94.00

Natural, complete cat food for all life stages. A unique and preventative grain-free formula, especially designed to support urinary tract health while providing a balanced and nutritious diet.

Key Benefits

- This preventive grain-free formula was developed by our in-house team, composed of an agronomist and animal nutrition specialists, in collaboration with veterinarians. It is specifically designed for cats of all life stages (from kitten to senior) who may require urinary support.
- Thanks to calcium sulfate and controlled mineral levels, this formula helps maintain an optimal urinary pH, contributing to a reduced risk of urinary stone formation. A well-balanced urinary pH plays a key role in preventing urinary issues.
- Cranberries : rich in antioxidants and antibacterial properties, cranberries help limit bacterial growth and reduce bladder inflammation.
- Yucca extract : known for its beneficial effects on urinary tract health, it helps reduce urine odor.
- Prebiotics : promote a balanced gut flora, which may indirectly support the immune system and contribute to overall cat health.

Ingredients

Fresh deboned chicken, ground whole peas, chicken meal, potato, tapioca, dried egg product, dehydrated fish, pea fiber, natural flavor, chicken fat (preserved with mixed tocopherols and citric acid), brewer's yeast, spinach, calcium sulfate, pumpkin, cranberries, apples, bananas, blueberries, broccoli, dried kelp, sweet potato, dried bacillus coagulans fermentation product, taurine, potassium chloride, iron sulfate, zinc sulfate, vitamin E supplement, niacin supplement, copper sulfate, vitamin A supplement, manganese sulfate, inulin, thiamine mononitrate, yucca schidigera extract, d-calcium pantothenate, pyridoxine hydrochloride, biotin, riboflavin supplement, vitamin B12 supplement, vitamin D3 supplement, calcium iodate, folic acid, sodium selenite, rosemary extract.
 May contain traces of peanuts.
